Motion to Appoint 2026 Street Super Indendent Chris Miller for the Village of Platte Center effective January 1, 2026- December 31, 2026.

Committee Reports:

Public Safety: Chairwomen Hake and Sliva made visit to the Sheriffs office to discuss Sheriff cars flying through Platte Center at an inappropriate speed for public's safety. They came to agreement that if it is to be seen any bystander is able to call the Sheriff's department to report. Also, to note if any Village resident is to see a vehicle in unwanted location to call Sheriff's office to report that as well. Please call the none emergency number.

Village Maintenance Report- Andrew Greisen: The EPA Sewer System reports were delinquent and has got that fixed 2 days after the issue arose. Well test looked good. Greisen will be upgrading the heater in the well. He will be re-piping in the east well and in some of the Highland addition. Greisen will finish fixing the manhole on G Street that was damaged in the road repairs in July. Will bill Midwest Coatings for these repairs. Greisen wanted to note since the closing of J & L the Village has a spare fuel barrel at the Hilltop shop that will be locked and only for Platte Center Fire and Rescue to use and fill themselves. We want residents to know if they see emergency vehicles up by the shop they are using their own fuel barrel. Currently our EMS, Fire Department and Emergency vehicles are having to travel to Monroe to fuel up. We hope this helps with cutting down time and being able to keep our area safe.
